

NIAAA/CALIFORNIA PRODUCTS TRACK INSTALLATION GRANT APPLICATION FORM

The NIAAA has entered into a partnership with California Products Corporation. As part of the relationship, California Products will provide annually an in-kind donation to one school in the United States the Plexitrac product (4000sq ½ inch thick black track) for either a new or resurfaced six lane High School track facility valued at \$30,000. To be eligible for this grant, the following criteria must be met:

1. School or District athletic administrator must be a current member of the state athletic administrator association and a current member of the NIAAA.
2. School must select California Products as the provider of the track materials. The installer must be an Authorized Applicator of the Plexitrac System.
3. The site must be structurally capable of accepting the track.
4. The application below must be completed and submitted to the NIAAA office.

Name: _____ Title: _____

School: _____

Street Address: _____

City: _____ State: _____ Zip: _____

Office phone: _____ Cell Phone: _____

Email address: _____

_____ New Track Construction

_____ Resurfacing Existing Track

A. Define the desired school (district) timeline for this project.

B. Describe the total scope of the project to be done including any work required before actual track surface can be installed.

C. Why do you feel the NIAAA should consider your school for this grant?

Have all required additional funds needed to complete this project been appropriated by the school district? Yes No

If no, when will the additional required funds be appropriated? _____

One grant will be awarded annually by the NIAAA board of Directors at its February board meeting. To be considered for a given year, application must be received in NIAAA office by February 1.

I have read the criteria and my school/district will comply with these criteria if our application is selected.
