***Section V – Development of a CMAA Project Model***

**Project Objective and Outcomes—Keys to Success**

The objective of Section V is to focus on the development of a project that will benefit stakeholders within the interscholastic athletic experience. The project model shall be consistent with a graduate level paper i.e. typewritten, checked for grammar and spelling and contains all the elements listed in the “Keys to Success.” The project shall demonstrate professional development opportunities in the field of athletic administration.

## Keys to Successful Project Development

Your project shall include:

- An Introduction—Opening paragraph may include school/community demographics and a brief description of your project.
- Subsequent paragraphs shall include the following six items:
 

1. <b>Who</b> —Stakeholders	2. <b>What</b> —Purpose
3. <b>When</b> —Timeline	4. <b>Where</b> —Population and/or location
5. <b>Why</b> —Need	6. <b>How</b> —Implementation
- Assessment and Evaluation—Give supporting data, e.g., newspaper articles, Board of Education minutes, newsletters, etc., where applicable.
- Conclusion—impact on stakeholders and long-term effect.

By incorporating the **Keys to Success**, your project shall be designed to meet the specific needs of your school and/or community. It shall be guided by the principles and knowledge gained in completed Leadership Training Courses. Include documentation of all material used to develop and implement your project. The objective of this CMAA application is to implement the project you have developed. A copy of your project which follows the prescribed format identified in the “keys to success” must be **submitted** with this application.

# CODE OF ETHICAL AND PROFESSIONAL STANDARDS

## Prologue: Why a Code of Ethics for Athletic Administrators?

The athletic administrator is, an educational-leader who oversees one of the most visible and scrutinized aspects of the school community. Athletic administrators understand that athletics as an extension of a dynamic educational program. As a result, this serves as a guide to support the day-to-day decision making of an athletic administrator. It clarifies the mission, values and principles of educational-athletics and how they translate into everyday decisions and actions.

### The Interscholastic Athletic Administrator is committed to the student-athlete:

- Develops and maintains a comprehensive education-based athletic program which seeks the highest development of all participants, and which respects the individual dignity, self-worth, and safety of every student-athlete.
- Considers the health and well-being of the entire student body as fundamental in all decisions and actions.
- Supports the principle of due process, protects the civil and human rights of all individuals, and endeavors to understand and respect the values and traditions of the diverse cultures represented in the respective school community.
- Strives to provide inclusive education-based athletic programs which provide participation opportunities for student-athletes of all abilities and backgrounds.-

### The Interscholastic Athletic Administrator is committed to education-based athletics:

- Organizes, directs and promotes an interscholastic athletic program that is an integral part of the total educational program and enhance the learning process.
- Cooperates with the staff and school administration in establishing, implementing and supporting school policies.
- Promotes high standards of ethics, sportsmanship and personal conduct by encouraging administration, coaches, staff, student-athletes, and community to commit to these high standards.
- Acts impartially in the execution of basic policies and in the enforcement of the local, district, state and national governing body's rules and regulations.

### The Interscholastic Athletic Administrator is committed to the profession:

- Fulfills professional responsibilities with honesty, integrity and a commitment to equity and fairness.
- Upholds the honor of the profession in all relations (both personal and digital) with students, colleagues, coaches, contest officials, members of the media, administrators, and the public.
- Improves the professional status and effectiveness of the interscholastic athletic administrator through participation in local, state and national professional development programs including, but not limited to, the NIAAA Leadership Training Institute and Certification Program.
- Avoids using their position for personal promotion. Leads by helping others achieve their goals.

*I have read the NIAAA Code of Ethical and Professional Standards and pledge that the information on this application is accurate.*
