

## **WOUNDED WARRIOR PROJECT**

**January 28, 2019**

**To ALL NIAAA Members,  
The National Interscholastic Athletic Administrators Association has selected the Wounded Warrior Project as the 2019 Initiative to help benefit the men and women of the Wounded Warrior Project. WWP offers 20 holistic programs to wounded service members and their caregivers completely free of charge and 100% of the funds raised through this event go directly to Wounded Warrior Project to help fuel these programs.**

**The National Initiative and Assistance Network Committee has set a goal of at least \$5 per NIAAA member totaling \$56,740.00 nationally. Working together as an association driven to serve, please join us in making a difference with our wounded warriors by encouraging all members to contribute.**
